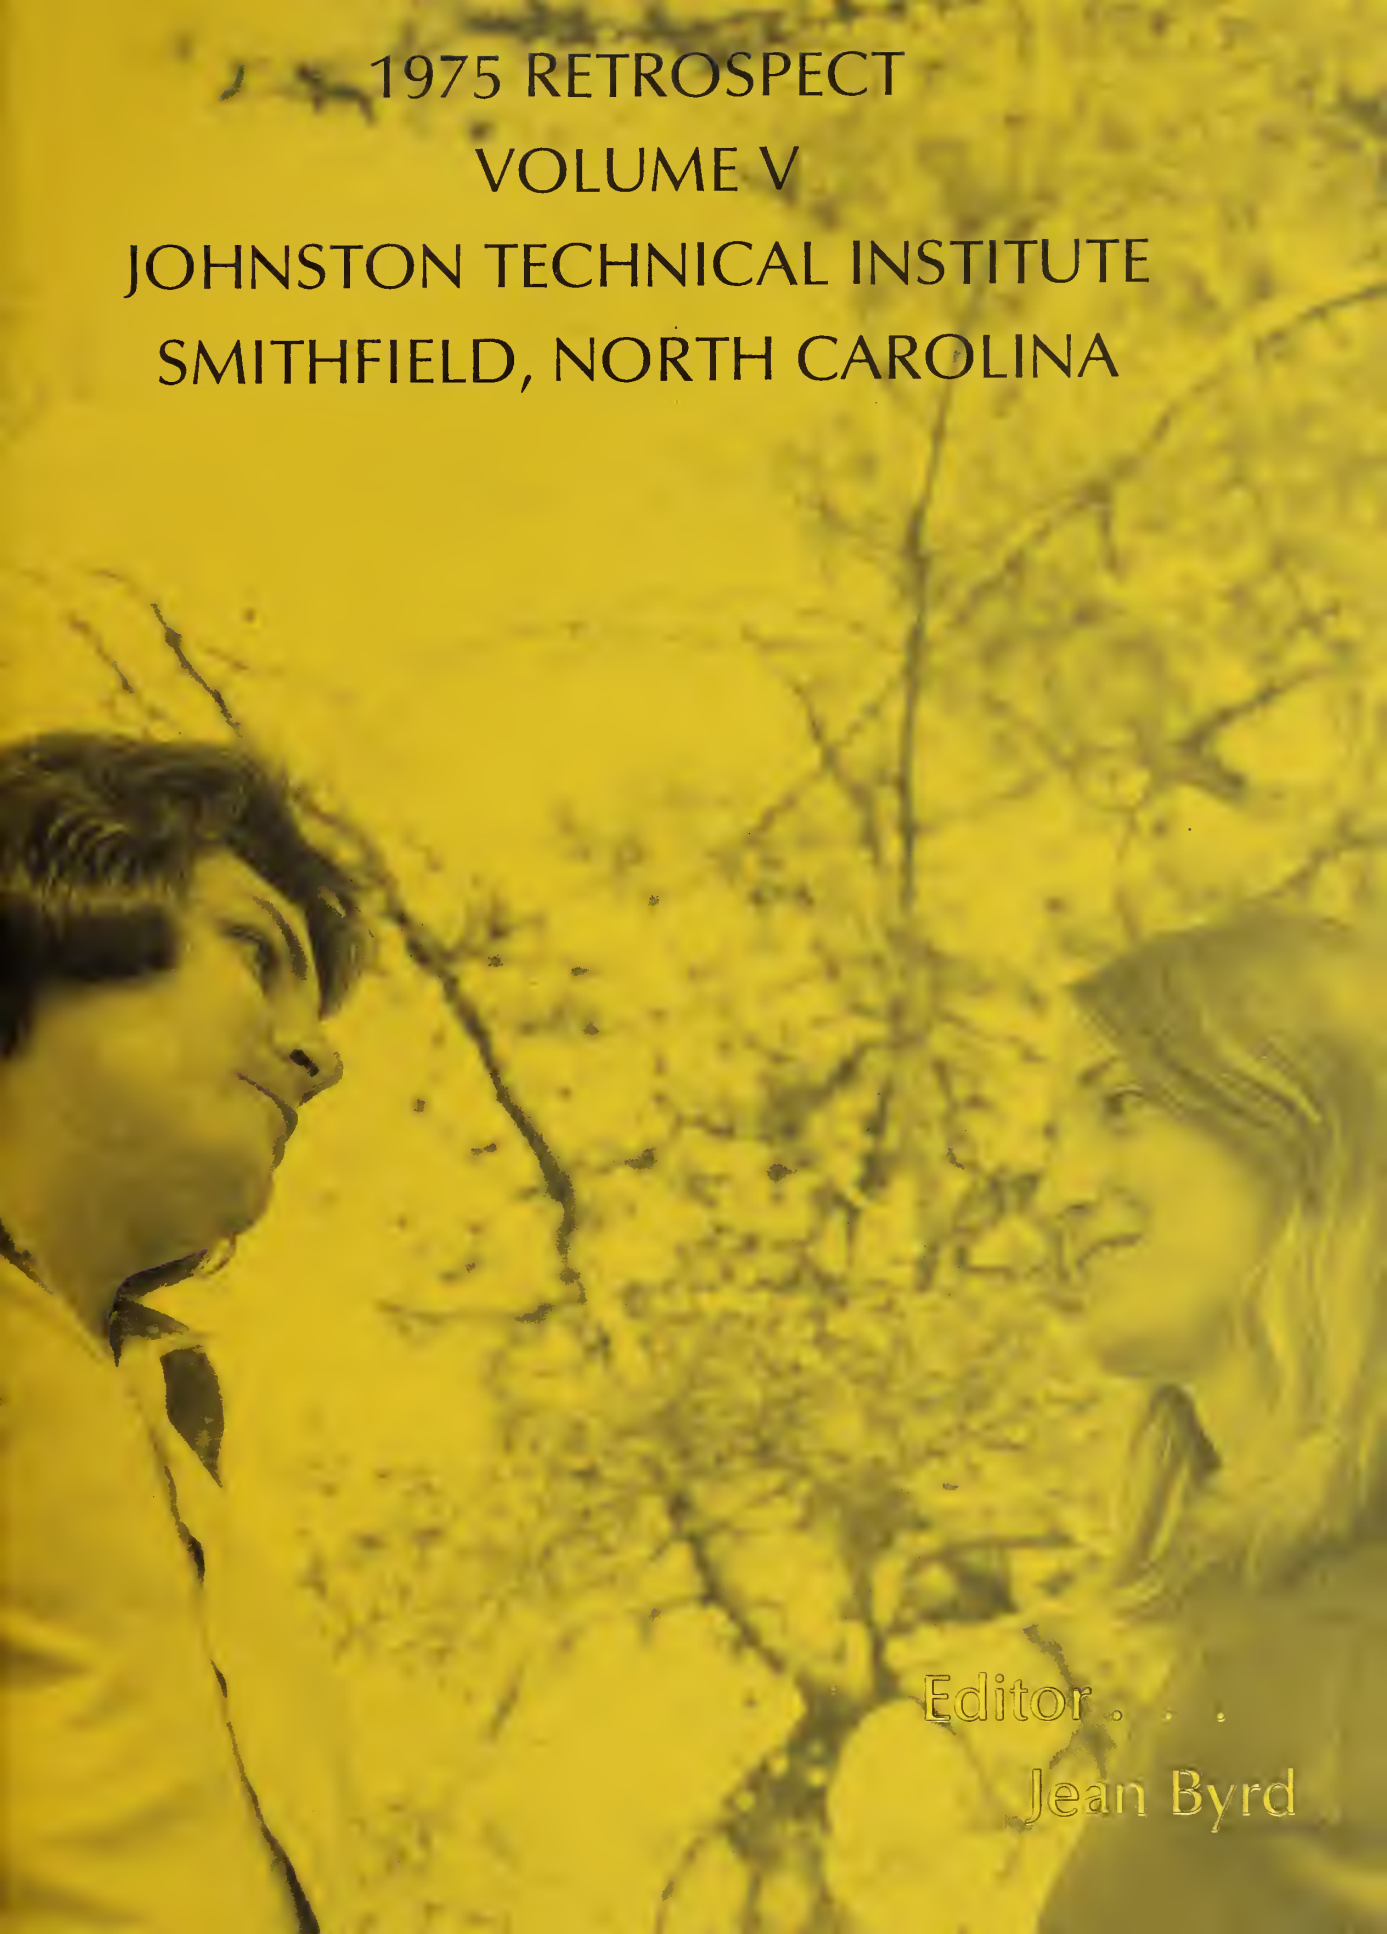
Retrospect 1975

1975 RETROSPECT
VOLUME V
JOHNSTON TECHNICAL INSTITUTE
SMITHFIELD, NORTH CAROLINA



Editor . . .

Jean Byrd

Yearbooks are controversies . . . requiring many hours of planning, design, and organization to make a year's happenings become a book-form reality.

In this light, Johnston Technical Institute is proud to dedicate the 1975 R.E.T.R.O.S.P.E.C.T. to the editor — Miss Jean Byrd.

Her eagerness to accept responsibility, and to respond conscientiously to it, has been an absolute inspiration to those of us who have worked with her on the yearbook.

Thanks, Jeannie!

To everything there is a season,
and a time to every purpose under the heaven:

A time to be born,
and a time to die.

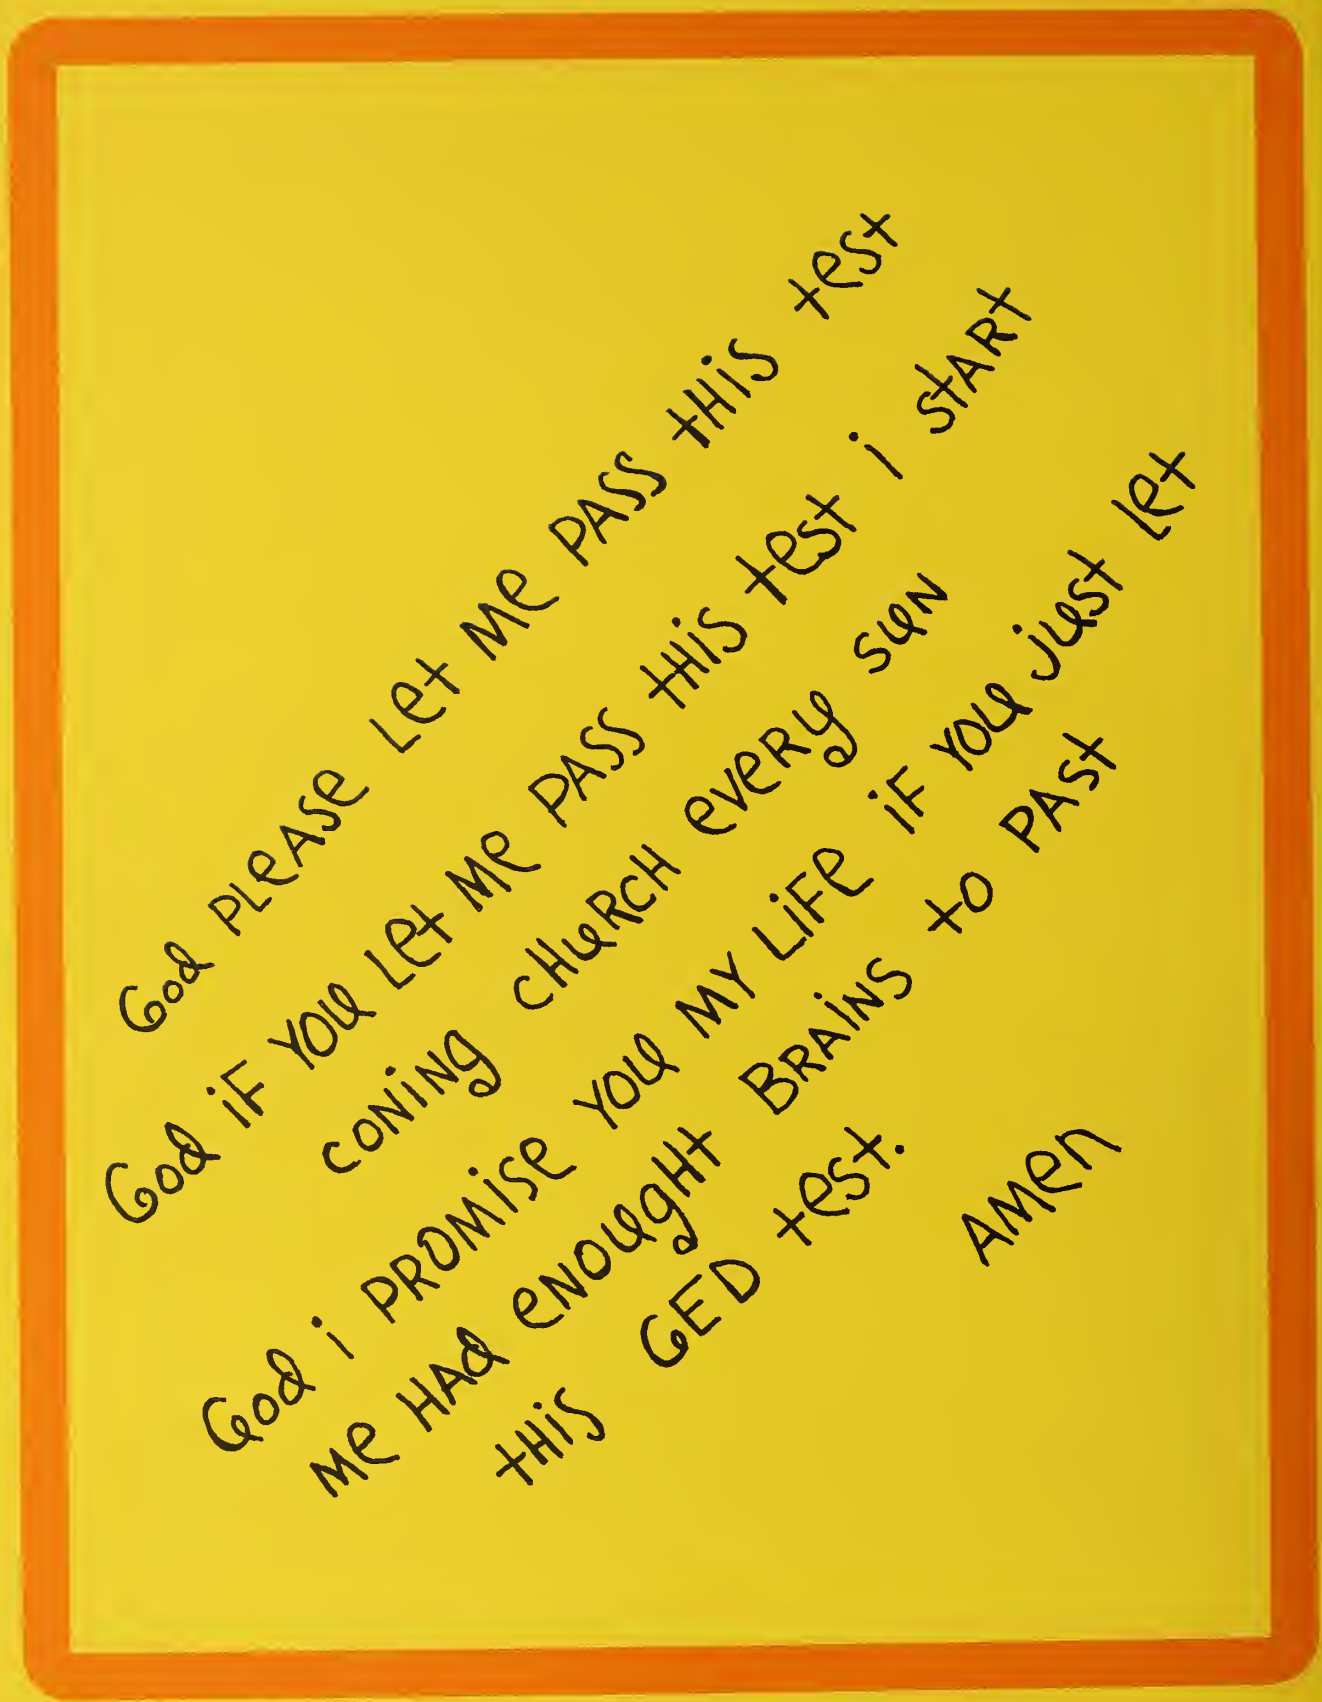
A time to plant,
and a time to pluck up
that which is planted.

You tickle my fancy... and I fancy your tickle!

A time to weep, and a time to laugh;

And a time to dance,

A time to embrace,



"Educational Graffiti" found on JTI restroom wall on March 18, 1975 shortly after the March GED testing session!

A time to keep silence

and a time to speak.

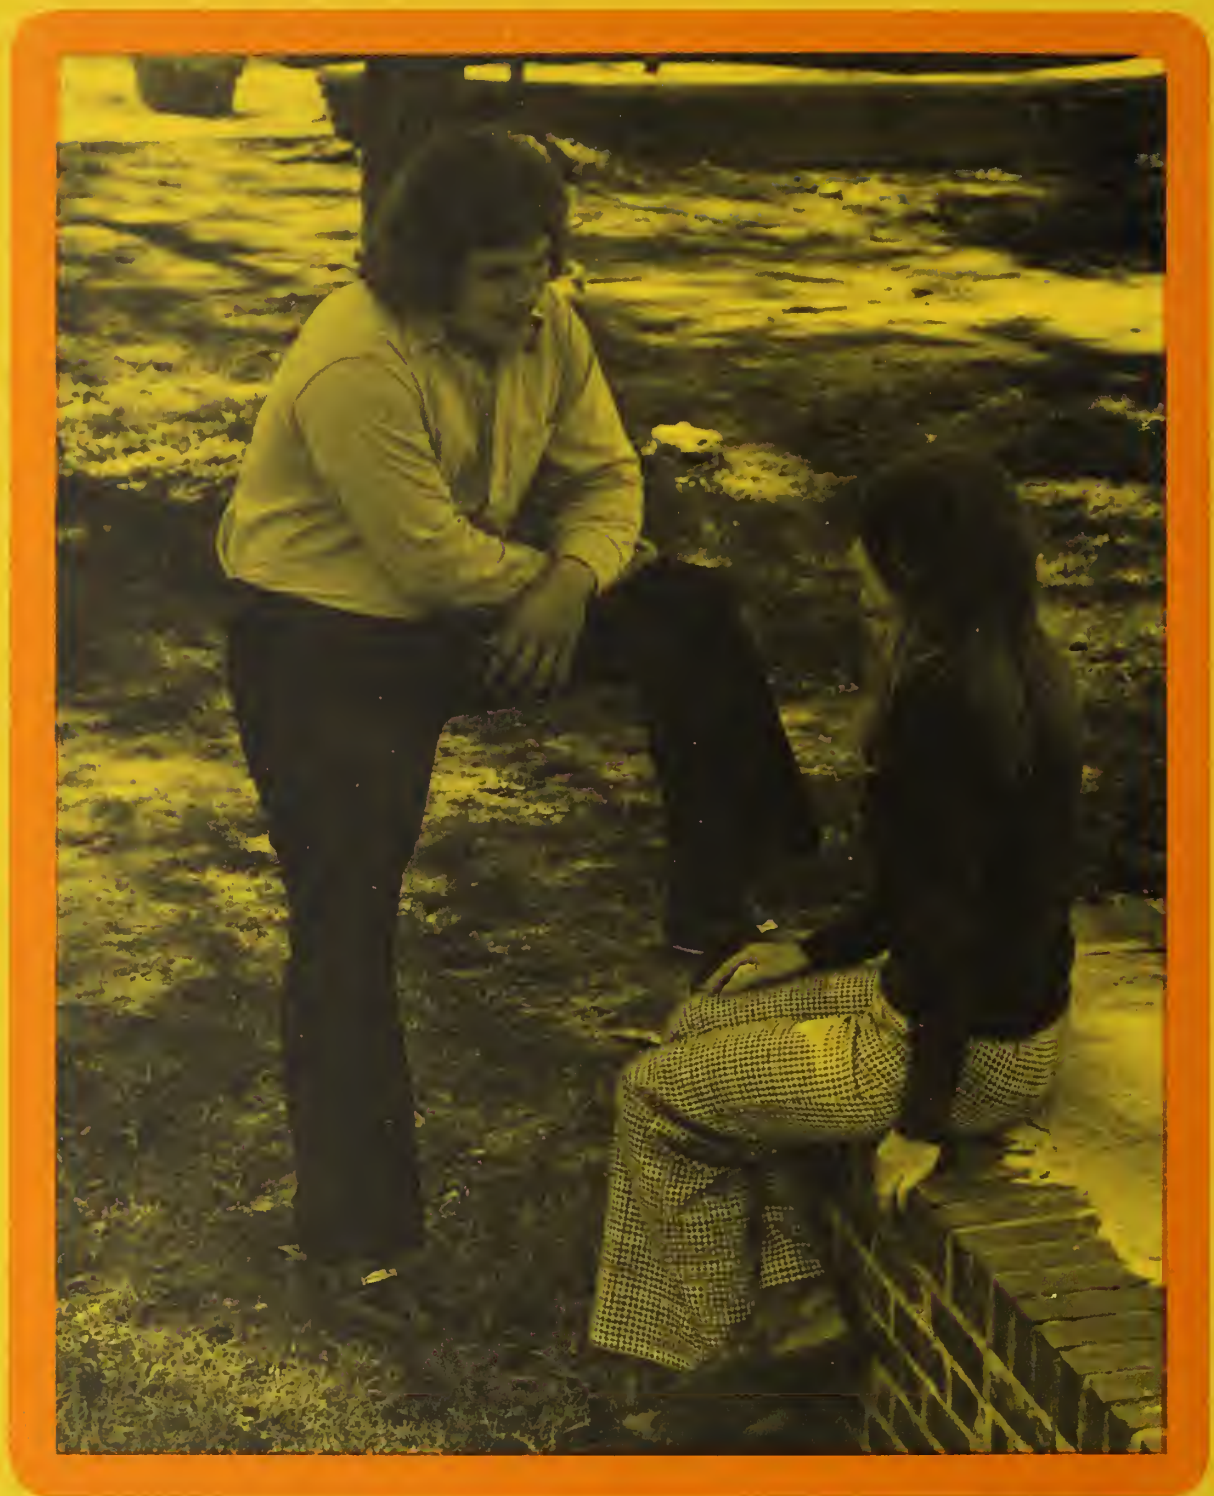
A time to love,
and a time to hate,



a time of war,
and a time of peace.
